### RULE BOOK DISCLAIMER

The rules and/or regulations set forth herein are designed to provide for the orderly conduct of racing events and to establish the minimum acceptable requirements of such events. These rules shall govern the condition of all such events, and, by participating in these events, all participants are deemed to have complied with these rules. NO EXPRESSED OR IMPLIED WARRANTY OF SAFETY SHALL RESULT FROM PUBLICATIONS OF, OR COMPLIANCE WITH, THESE RULES AND/OR REGULATIONS. These rules are intended as a guide for the conduct of the sport and are in no way a guarantee against injury or death to a participant, spectator, or official. INTERPRETATION OF THE RULES: The Board's interpretation shall be the official interpretation and will supersede any or all other possible interpretation. If you are in doubt on any rule, ask for an official decision of the interpretation. Where there is no specific rule to govern the occasion the BOARD'S DECISION WILL BE FINAL!!

### GENERAL RULES

Continuous developments in racing may necessitate changes that cannot be anticipated at the time rules are formulated. Hence, if necessary, rules may be updated, modified, added to, or deleted at any time, as needed. In addition to this, the "Except in Rare Instances" rule will be in effect at all times. CCRA intends for all participants to be competitive with each other. If you do something to change your Vehicle that these rules have overlooked, and that CCRA feels gives you an unfair advantage over other competitors, you will be required to reverse these changes. If there is a question on any rule herein, on specifics or clarification, the best "rule of thumb" is, if you do not see something specifically explained, consider it to be illegal, because CCRA will. Due to safety and liability, No Pregnant Women shall be allowed to race.
